

Safety and Security		GTI
Airbags	Driver and front passenger airbags	S
	Driver's knee airbag	S
	Driver and front passenger side airbags	S
	Curtain airbags, front and rear	S
Anti-theft	Electronic engine immobiliser	S
	Alarm system with interior monitoring and tilt sensor	S
Body	Fully galvanised 3 or 5 door body with 12 year anti-corrosion perforation warranty	S
	Door side impact protection	S
	Rigid safety cell with front and rear crumple zones	S
Brakes	Anti-lock Braking System (ABS)	S
	Brake Assist	S
	Electronic Brake-pressure Distribution (EBD)	S
	Hill Start Assist (HSA) (with DSG)	S
	Red brake callipers	S
	Warning light system triggered in emergency braking situation	S
Child restraint	Child seat anchor points mounted on back of rear seat (3)	S
Daytime driving lights		S
Entry/warning reflectors in front and rear doors (5 Door)		S
Fog lights	Front fog lights, mounted in lower bumper	S
	Rear fog lamp	S
Head restraints	Front safety optimised head restraints, height adjustable	S
	Rear head restraints height adjustable and removable (3)	S
Locking	Remote central locking with deadlock mechanism	S
	2 stage unlocking (programmable)	S
	Automatic locking after takeoff (programmable)	S
	One touch lock / unlock for driver	S
	Child safety locks on rear doors (5 Door)	S
Luggage cover, removable		S
Seat belts	Front height adjustable with pre-tensioners and belt force limiters	S
	3 point seat belts for all passengers	S
Traction Control	Anti-Slip Regulation (ASR)	S
	Electronic Differential Lock (EDL)	S
	Electronic Stabilisation Program (ESP)	S
	Extended Electronic Differential Lock (XDL)	S
Exterior Equipment / Styling		
Body enhancements	Body coloured bumper bars, door handles and outer rear view mirrors	S
	B pillar decorative strip, carbon look	A
	Front body coloured lower front spoiler, centre lower air intake and radiator grille with black honeycomb inserts, radiator grille with two red trim strips	S
	Rear bumper with black diffuser and visible dual chrome exhaust tail pipes	S
	Rear hatch trim, chrome or carbon look	A
	Rear roof spoiler	S
	Widened side sill panels with black grained finish	S
Protection	Bonnet protector	A
	Headlight protectors	A
	Loading sill protection, clear or stainless-steel	A
	Slimline weather shields	A
Roof	Roof bars	A
	Bicycle, kayak, ski, surfboard and snowboard holders	A
	Luggage rack	A
	Ski and luggage box	A
Tinted glass	Darkened rear tail light clusters	S
	Heat insulating tinted glass	S

Exterior Equipment / Styling (cont'd)		GTI
Towbar	Towbar vertical hitch with 7-pin flat trailer connector and removable tongue	A
Wheels	Alloy wheels (Denver) 17 x 7½" with 225/45 R17 tyres	S
	Alloy wheels (Motorsport) 18 x 7½"	A
	Alloy wheels (Topas) 18 x 7½"	A
	Alloy wheels (Karthoum) 18 x 8"	A
	Alloy wheels (Vision) 18 x 8"	A
	Anti-theft wheel bolts	S
	Low tyre pressure indicator	S
	Weight and space saving spare wheel	S
Comfort and Convenience		
Armrest	Front centre armrest with storage box, rear air outlets (2) and rear cup holders (2)	S
	Rear seat centre armrest with load through provision	S
Air conditioning	Dual zone automatic (2 modes) climate control with indirect ventilation mode	S
	Air quality sensor with automatic air recirculation	S
	Dust and pollen filter	S
Cruise control		S
Cup holders	Front (2), with bottle opener	S
	Rear (2)	S
	Bottle holders in front door pockets	S
Floor mats	Front and rear, carpet	S
	Front and rear, rubber	A
Grab handles	Soft fold away grab handles, front and rear	S
Headlights	Coming / leaving home function	S
	Combined headlight and fog light switch	S
	Halogen headlights with daytime driving lights, black housing and clear polycarbonate lens	S
	Headlight-on warning buzzer	S
	Internal headlight range adjustment	S
	Low light sensor with automatic headlight function	S
In car entertainment and technology	AM/FM security coded radio (RCD510) with 6½" touch screen display with unique GTI skin, MP3/WMA compatible SD card slot and 6 disc CD changer (in dash)	S
	Audio functions mounted on steering wheel	S
	Auxiliary input audio socket in front centre console	S
	Bluetooth® integrated hands free phone kit	A
	Bluetooth® hands free phone kit	A
	Speakers, front and rear (8)	S
Instrumentation	Speedometer & tachometer, electronic odometer and tripmeter, service interval display, digital clock, fuel and coolant gauges, low fuel warning light, brake pad wear indicator, white adjustable illumination	S
Interior highlights	Aluminium finish clutch, accelerator and brake pedals	S
	'Black stripe' decorative inserts in dashboard and doors	S
	Brushed chrome and aluminium trim on instrument cluster, vent surrounds, steering wheel, door handles and gearshift lever surround	S
	Door sill scuff plates	A
	Steering wheel, gearshift gaiter and handbrake grip with red decorative stitching	S
Interior lighting	With time delay	S
	Foot well illumination, driver and front passenger	S
	Front reading lights (2)	S
	Rear passenger reading lights (2)	S

Comfort and Convenience (cont'd)		GTI
Luggage compartment	Cargo organiser, luggage area tub storage with internal dividers and lid	A
	Load restraining hooks	S
	Luggage compartment light	S
	Luggage compartment protection: moulded foam, rubber or plastic tub	A
	Luggage net	A
	Shopping bag hooks	S
	Storage box in side lining	S
Mirrors	12 volt socket	S
	Automatic dimming interior rear-view mirror	S
	Electrically heated and adjustable exterior mirrors	S
	LED turn indicators integrated in exterior mirrors	S
Power steering	Electro-mechanical, vehicle speed and steering input sensitive	S
Parking distance sensors, rear		A
Seating	Front Top sports seats with additional side bolstering	S
	Easy entry front seat backrest release function (3 Door)	S
	Height adjustment for front seats	S
	Lumbar adjustment for front seats	S
	Split folding rear seat backrest (60/40)	S
Steering wheel	3 spoke leather rimmed flat bottomed sports steering wheel with brushed aluminium inserts and red decorative stitching	S
	Audio and Multi-function Display controls	S
	Gear shift paddles (with DSG)	S
	Height and reach adjustable steering wheel	S
Storage	Centre console storage compartment without optional Media Device Interface (MDI)	S
	Chillable glove box with illumination, lockable	S
	Coin tray and 12 volt socket in console	S
	Compartment in roof console	S
	Driver's side dashboard compartment with lid	S
	Front door pockets with bottle holders	S
Front seat backrest storage pockets	S	
Trip computer	Multi-Function Display (MFD Plus) – trip time, trip length, average speed, average and current fuel consumption, distance till empty, outside temperature, audio and convenience menus	S
Upholstery	'Jacky' GTI sports cloth seats with red decorative stitching	S
	Front head restraints with embossed GTI logo	S
	Headlining, dashboard and door trims in black	S
Vanity mirrors	Driver's and passenger's side vanity mirrors	S
	Illuminated on driver's and passenger's side	S
Wipers	2 speed aero wipers with wash/wipe and vehicle speed sensitive intermittent wipe	S
	Rain sensor	S
	Rear window with wash/wipe and intermittent wipe	S
Windows	Power front / rear (5 Door), with roll-back function, driver with one-touch up-down	S
	Remote operated convenience close and open feature	S
	Sunblind for rear window	A
	Sunblind for rear side window (3 Door and 5 Door)	A
12V socket	Centre console	S
	Luggage compartment	S

Optional Equipment		GTI
Adaptive chassis control		O
Automatic Transmission	6 speed Direct Shift Gearbox (DSG) with sport mode, Tiptronic function and gearshift paddles on steering wheel	O
Bi-Xenon headlights	Xenon headlights for high and low beam with dynamic cornering lights Automatic self levelling and headlight cleaning system	O
Dark tinted rear side windows and rear window glass, 65% light absorbing		O
In car entertainment and technology	Dynaudio Excite premium audio system, 300W digital amplifier with 8 speakers (4 mid-range and bass, 4 treble speakers) Dynaudio can be combined with the RCD510 or optional RNS510 satellite navigation system. Media Device Interface (MDI) – compatible with iPod®, USB and mini USB Fitted in the centre console and supplied with USB connection cable. Volkswagen Genuine Accessory iPod®, mini USB and auxiliary input connection cables sold separately.	O
Metallic / Pearl Effect paint		O
Parking Assistance	Park Assist, parallel parking assistance with parking distance sensors, front and rear Optical Parking System (OPS) in radio/navigation display Automatic kerb function when reversing, passenger's side exterior mirror Rear View Camera (RVC) with static guidance lines RVC can be combined with the RCD510 or optional RNS510 satellite navigation system.	O
Satellite navigation system (RNS510)	High-resolution touch screen display in 16:9 format with unique GTI skin, 3D map views, integrated 30GB hard drive and SD card slot, DVD drive for the playback of audio CD/MP3 and video DVD	O
Seats and upholstery	Vienna leather appointed seat upholstery with individually heated front sports seats and electric lumbar adjustment Some parts of the leather appointed seat upholstery will contain man made material. Electric adjustment for driver's seat Electric driver's seat adjustment is only available for the 5 Door model in combination with optional leather appointed seat upholstery	O
Sunroof	Electric glass sunroof, slide and tilt adjustable with sunblind	O
Wheels	Alloy wheels (Detroit) 18 x 7½" with 225/40 R18 tyres (4)	O

Technical Specifications

GTI	
2.0 litre TSI	
Engine	
Type	4 cylinder inline turbocharged direct injection petrol
Installation	Front transverse
Cubic capacity, litres/cc	2.0 / 1984
Bore/stroke, mm	82.5 / 92.8
Max power, kW @ rpm	155 @ 5300 - 6200
Max torque, Nm @ rpm	280 @ 1700 – 5200
Compression ratio	9.6:1
Fuel system	Bosch Motronic MED 17.5.5
Ignition system	Electronic
Exhaust emission control	Exhaust gas recirculation, catalytic converter and lambda probes
Emission Level [^]	EU V
Fuel type (Recommended)	Premium unleaded 95 RON minimum

Transmission	6 Speed Manual	6 Speed DSG
Driven wheels	Front wheel drive	Front wheel drive
Performance #		
0 – 100 km/h	6.9	6.9
Fuel Consumption *		
Combined, L/100km	7.7	7.6
Urban, L/100km	10.4	10.2
Extra Urban, L/100km	6.2	6.1
CO ₂ emission g/km	180	178
Fuel tank capacity litres	55	55

[^] Emission level according to European Regulation (EC) No. 715/2007 and Regulation (EC) No. 692/2008

Please note performance figures are sourced from overseas data where equipment levels by model variant may vary.

* Fuel consumption figures according to Australian Design Rule (ADR) 81/02

The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2.0 litre TSI

Running Gear		
Suspension	Front Axle	Independent, MacPherson struts with lower A-arms. Anti-roll bar. Sports Suspension lowered approximately 22mm
	Rear Axle	Independent, four-link with coil springs. Anti-roll bar. Sports Suspension lowered approximately 15mm
Steering	Electro-mechanical power assisted rack & pinion steering	
Brake Systems	Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD) and Brake Assist	
Brakes	Front	Ventilated discs
	Rear	Discs
Turning Circle (m)	10.9

Please note: Metallic (M) and Pearl Effect (PE) paint are optional at additional cost.

Glossary

Adaptive Chassis Control*

The electrically controlled dampers of adaptive chassis control constantly adjust to the road conditions, the driving situation and driver's requirements. Using a button located on the centre console, the driver selects between three damper settings – NORMAL, COMFORT and SPORT.

Starting from the normal setting, the customer can change the basic character of the car towards sporty or more comfort-oriented driving. In SPORT and COMFORT settings, the corresponding name is illuminated in the button. In NORMAL setting, only the shock absorber symbol is illuminated. In all settings, the adaptive chassis control adjusts the damping to the particular driving situation (up till one thousand times per second) which means it offers an optimum level of driving comfort and enjoyment at all times. In addition, in the SPORT setting the steering feel is also adapted. Particularly on windy roads and poor surfaces, using adaptive chassis control offers sporty and yet comfortable driving.

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Direct Shift Gearbox (DSG)

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 multi-plate clutches. The benefit of 2 gear sets and 2 multi-plate clutches is that one gear set and clutch is engaged driving the vehicle with the second clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.

Electronic Stabilisation Program (ESP)

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also prevents spinning off on a curve due to either understeer or oversteer.

Glossary (cont'd)

Extended Electronic Differential Lock (XDL)

The electronic differential lock XDL is an extension to the EDL function. When cornering, the XDL responds to the unloading of the front wheel on the inside of the corner. The ESP hydraulics are used for the XDL to apply pressure to the wheel on the inside of the corner in order to prevent wheel spin. This improves traction and reduces the tendency to understeer. As a direct result of the one-sided and precise braking pressure, cornering is sportier, quicker and more accurate.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with the Direct Shift Gearbox (DSG).

Park Assist*

Park Assist actively helps the driver when reversing into parallel parking spaces. The system works by using sensors mounted either side of the front bumper together with parking distance sensors front and rear. To parallel park the driver needs to press the Park Assist button and use the appropriate indicator before the car passes the potential parking space. Sensors in the front bumper then scan the size of the parking space as the car is driven slowly past and the driver is alerted if the parking space is big enough. If there is sufficient space, the driver stops the car, selects reverse and let's go of the steering wheel.

Park Assist will alert the driver of the intended reverse path in the Multi-Function Display, within the driver's field of vision. Park Assist then actively supports the driver by taking over the steering control and parks the vehicle in the available space using the ideal course, if necessary with several moves. The driver can however take over the control of the steering at any time and end the automatic parking procedure. The system can reverse into parking spaces on both the left hand and right hand side of the road, for example on one way streets.

Park Assist cannot replace the driver's attentiveness. The driver is still legally responsible for the vehicle. If the driver notices a risk that pedestrians, other vehicles or objects could be damaged or if they are uncertain of the risk, they will need to react accordingly and stop the vehicle, ending the function.

*Optional equipment

Volkswagen New Vehicle Warranty

Every new Volkswagen passenger vehicle is covered by a 3-year/100,000km (whichever occurs first) manufacturer's warranty, which includes Volkswagen Assist (24hr roadside assistance). Every new Volkswagen passenger vehicle is also covered by a 3-year paintwork and 12-year anti-corrosion perforation warranty.

Volkswagen Assist – 24 hour roadside assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Repair Centre.

As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100kms away from home. Volkswagen Roadside Assist can also be renewed at the expiry of the original warranty, ensuring ongoing coverage for your vehicle.

Volkswagen Golf GTI

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at October 2009, for Model Year 2010 and are subject to change without notice or obligation. All Volkswagen approved parts and accessories are warranted for 2 years/unlimited kilometres. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
